

Brethren, pray for us  
To preach His Gospel

# CAMBODIA

**Psalms 18:49 Therefore will I give thanks unto thee, O LORD, among the heathen, and sing praises unto thy name.**

Recently, we've been teaching the importance of Biblical worship and what that entails. Whether it's ecclesiastical or personal, we can worship God by lifting our hearts in song. All the saints should give praise, and through singing we can testify of God's goodness. It is only reasonable that the redeemed should exalt their Redeemer with songs of praise; we need to open our mouths, giving glory to God. Another purpose for singing in worship is so that the heathen will hear. The singing of the Saints turns people's attention to God and His divine attributes. At Victory Baptist Church, we love old-fashioned congregational singing and prayerfully, the visitors will hear of God's goodness and His great power. We still prefer the old hymns (translated into Khmer). The concrete walls of the auditorium provide an echoed effect and we love to "make a joyful noise."

We've had several folks recently who are glad to help with the music ministry and want to put in the time for practice.

Youth choir—learning to praise the Lord

Recently, we have assembled a youth choir. We hope to build up our music ministry and show them that God can use their talents to worship Him.

Because of Mari-lyn's musical talents, she's been able to teach piano and some music theory. It's a blessing to have one of our ladies, Lakenah, who is able to play piano for congregational singing. In addition, Mari-lyn has been teaching several young people how to play musical instruments. Through these young people, we hope to see our music ministry grow.

### 80-year-old grandma gets saved!

Praise the Lord that it's never too late to turn to the Savior! With men, things are impossible, but with God all things are possible. This lady has been witnessed to many times throughout her life but she said to Mari-lyn, "I know I need to be saved from my sin; what can I do?" Mari-lyn said, "You can ask God to forgive you and save you, trusting in Jesus Christ and Him alone." She then decided there's no better time to trust Christ and immediately began praying, in front of her neighbors, that God would have mercy and save her desperate soul. God still saves those who call upon Him!

We are grateful to those who have assisted us at Victory Baptist Church. We extend our sincere gratitude to churches that have given generously for our auditorium expansion project. We are now onto the final stages of the building. Praise the Lord! We have been able to make good use of it already. Thank you for your faithful prayers on our behalf. Again, please continue to intervene for God's work here.
