November 2018

Dear Pastor Damron and Praying Friends,

THEREFORE SEEING WE HAVE THIS MINISTRY...

— 2 Corinthians 4:1 —

Thanks to our Lord and to you who pray and give, **WE HAVE THIS MINISTRY...** to churches, to missionaries, and to believers all around the world. We have recently been blessed to have meetings in Louisiana, Tennessee, Virginia, and North Carolina; and we thank the Lord for safety in many miles travelled and for His provision in every way.

In Louisiana, we had a fruitful **GRACE GIVING MISSIONS CONFERENCE** with our long-time friends at Greenwood Hills Baptist Church. The Bourn family and the faithful members have been an encouragement and blessing to us for over 25 years! We have seen the Lord pour out His blessings upon them with miracle answers to prayer, growth in the congregation, and extraordinary growth in their missions giving and outreach.

In Tennessee, the Lord gave us a wonderful personal blessing during our **ANNUAL FALL REVIVAL**. Greta prepared and taught another **CHILDREN'S REVIVAL PROGRAM** during our home church's revival week, similar to what she has been doing for many years during missions conferences. This year, the theme was **Onward, Christian Soldiers** which included *The Holy War* by John Bunyan and emphasis on the Armor of God. The Lord moved in the children's hearts in a very special way as the week progressed. On the last night, one boy (for whom we and many others in the church have been praying) **called upon the Lord Jesus to save him**. We are still rejoicing!

In Virginia, we were given the opportunity to step in to preach for a number of services for a church whose pastor had gone Home to be with the Lord. This church and their need was unknown *to us*, but God *already knew* and showed Himself in a wonderful way as **HE LED OUR STEPS** to be an encouragement to the church during a very difficult time.

In North Carolina, we enjoyed a blessed week with Calvary Baptist Church and Bible College, preaching and also teaching our expanded **INTRODUCTION TO MISSIONS MODULE**. It is a joy to help young people prepare for the ministry!

This and much more are due to your prayers. We thank the Lord for you – and for the ministry!

FOR MORE TO GO,

**WE ARE PRAYING FOR YOU – AND
WE THANK YOU** for \$100/\$100 in September & \$100 in October

MORE SOULS SAVED • MORE MISSIONARIES CALLED • MORE CHURCHES PLANTED
