Dear Friends,

Praise the Lord for a faithful God that we serve. I am so glad that His faithfulness does not depend me, but on His character. The beginning of 2019 was a good one.

Our church is birthing a church in another neighborhood. We have been doing it for

several months now. The people there are doing a great job of getting out the word of a new church starting in the neighborhood. They are inviting friends, relatives, and co-workers on a regular basis. Some of the visitors have come back more than once. What a

blessing!

Recently, the Lord gave me a great opportunity to read the Bible in a nursing home. I had my first visit with them a couple of weeks ago, and it went really well.

I read my first complete chapter of the Bible (the Gospel of John chapter 1) in public, in Portuguese. It went better than I anticipated. I brought Seth with me and we sang a song together. He did not want to go at first because he did not want all the old ladies calling him handsome. However, he did real well when there and it was easier for him to go the second time, last week. He is 5 years old and still has that kids charm and appeal that the elderly enjoy.

What a blessing to be able to go on a regular basis.

A couple of weeks ago, I was able to give my salvation testimony to a neighbor on my block named, Carla. He is a 62 year old man that runs a small auto body shop with his son. I was able to witness to him for about 20 minutes. This year would be a great year for Carla to get saved.

The family is doing fine. The Lord continues to bless us with good health which I do not take for granted. Praise the Lord for His faithfulness and His goodness toward us.
