Dear Pastor Damron and Fairhaven Baptist Church,

Our family is constantly reminded of the privilege and responsibility that you have entrusted us. Joyfully, we represent your ministry to our military around the globe. Thank you, for your example reaching others as you follow the Great Commission.

“But as we were allowed of God to be put in trust with the gospel, even so we speak;”
~ I Thessalonians 2: 4

Prayer Praises:

- For the joy of seeing five people come to Christ.
- For Harold encouraging two churches outside of Dyess and Lackland Air Force Bases to expand their military outreach
- For teaching a Level One Mini-Wounded Spirits workshop in WA. The Lord helped many in the area of PTSD.

- For the Lord being mighty in our Military churches during our Covid-19 Crisis people are getting saved.

Prayer Request:

- For the Lord’s continual providence on churches during the Covid-19 Crisis
- For souls to be saved
- For our missionaries on deputation during these uncertain times.
- For more missionary families to reach our military for Christ.
- For continual health

Thank you again for your love.

Gratefully, serving the Lord as your missionaries to the U.S. Armed Forces,

Harold, Karin and Jenny Pierce
