JULY 2020 UPDATE

Dear Praying and Supporting Friends,

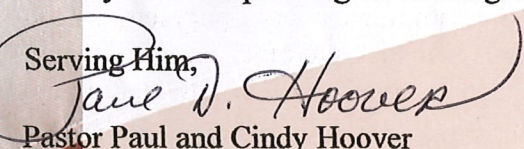

“...but tarry ye in the city...” Luke 24:49

As we see the chaos in many cities across our country we are mindful of the need to continue our church planting efforts. Some would encourage us to leave the center of these once great cities but we know that the Lord has sent us and will go with us and before us as we are faithful. Thank you for praying and holding the ropes as we continue to press on for the Lord.

We had a wonderful time preaching and teaching at the Second Annual Mid-America Church Planting Conference in Rockford, Illinois. The North Love Baptist Church hosted this great meeting. There were many church planters and several were asked to preach and share the burden that God has placed upon them. Many of the church planters received a financial offering that was taken for them. We want to thank Pastor Paul Kingsbury and Evangelist Bob Bisconti for their fine vision of having and hosting this important and fruitful meeting.

We are now working with some new church planters who are raising support to go where the Lord has called them. Pray for them as they follow the Lord and His leading. Please pray for us as we help them with counsel, printing materials, and knocking on doors before their first Sunday. We are pressing on with a goal of 60 new church plants in the near future.

Serving Him,

Pastor Paul and Cindy Hoover

July Support \$ 100.00 received with Praise and Thanks.
