Dear Pastor Damron and Praying Friends,

...AND UNTO THE UTTERMOST PART OF THE EARTH.

— Acts 1:8 —

We have the honor in life to be **called to the uttermost**. By God's grace, we serve those who send, those who are sent, those who are preparing to be sent, and those in the uttermost who are served by those sent. This year continues to have special challenges that **THE LORD IS TURNING INTO BLESSINGS**.

We continue to prayerfully look forward to the time we can **return to ZAMBIA to minister**. If you may be led to help with this endeavor, **especially by prayer**, we would greatly appreciate it.

Meanwhile, the Lord has been opening **DOORS OF OPPORTUNITY** in some very special ways. **Please pray with us** about the following needs in this uttermost place which is so close to our hearts:

- The Independent Baptist Church of Kabwe is in need of a pastor
- Brother M.J. Silwamba, a faithful believer, is battling an advanced form of cancer
- Zambia Ministries Fund has been set up through FBWWM to receive funds on behalf of a number of construction/maintenance and helps-related projects, currently with four of the Independent Baptist Churches in Zambia; please contact us if you are led of the Lord to consider helping with these projects

Many of the **MISSIONARY FAMILIES** with whom we minister are **in the midst** of their parts of the uttermost. Please take **extra time to intercede** for your missionaries and prayerfully consider having some with which we work visit your church. There are multiple families on deputation and furlough in foreign and domestic church plants, as well as some working in or preparing to go to creative access lands. We would be glad to put them in contact with you.

The **BIBLE COLLEGE MISSIONS COURSES** this past month have been some of the best that we have experienced. Both courses, **Church Planting Strategies** and **World Religions**, had record attendance and excellent spirits. It is a great blessing to invest in these who are called to and are preparing to go to the uttermost. Thank you for your prayers and assistance in reaching the uttermost!

Lord, make me expendable for You.
