APRIL 2021 UPDATE

Dear Praying and Supporting Friends,

This past month we have put on 6,000 miles on our cars in the work of Church Planting and Church Helps. Our church plants and church restarts have taken us all over the country. We are thankful for the opportunity and privilege to serve the Lord Jesus Christ.

The following is an overview of the work of Reaching America Baptist Partners.

- Strategic Survey of every major metropolitan area in America and many other communities. (Searching for needy areas without a Gospel preaching church.)
- Preaching and Teaching in good Bible colleges in America. Seeking to raise up young church planters and to challenge them to meet the need here in America.
- Hold Church Planting Schools regionally in local churches to give pastors and church members the tools to reproduce churches in America and the world.
- Raise funds for church planters who need help and funds for church buildings.
- Develop church brochures and personalized John-Romans for new churches.
- Provide guidance for church planters as they prepare to plant a new work.
- Knock on doors and help with successful first service.
- Continue to nurture the church planter after first service.
- Re-starts of needy churches in America.

EXCITING CHURCH PLANTING NEWS AND PRAYER REQUESTS

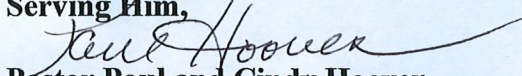

Bible Baptist Church of Breckenridge, Michigan (New church in need of a Pastor)

Power Baptist Church of Power, Montana (New Church)

Re-Start of a church in Minnesota

Re-Start of a church in Wisconsin

Serving Him,

Pastor Paul and Cindy Hoover

April Support \$ 100.00 received with Praise and Thanks.

Dedicated to New Church Planting
