Missionaries to the U. S. Military in South Korea

Prayer Letter

March/April 2021

Between the military rotations (PCS moves), Covid-19, and the anti-God mind set of so many people we are really down in attendance. The handful of folks we have are great folks! They are faithful, hardworking, loving people.

Satan has used Covid-19 to attack churches in Korea. We have been forced to close and go to online services several times now. We have not been able to have our usual potluck lunches on Sundays in more than a year. This is very discouraging to our folks. Fortunately, we have had zero cases of the virus at VBC.

The Korean government has laid the blame for the spread of virus on churches. So, they try to control when churches can meet, what they are allowed to do and how many people can attend. They send me weekly text messages reminding us of the restrictions. No revival meetings, no missions meetings, no Bible study meetings, no prayer meetings, no food to be served, no choir, no spoken prayer and list goes on. Currently we are allowed to have 20% of capacity in attendance. But that's better than meeting online!

Despite the Corona virus restrictions, we are still able to pass out tracts. We still meet for coffee! We can still join together for meals on base! We can still exhort one another! Praise God we can still preach the Word of God! The government says no Bible studies, so we have Sunday school. The government says no prayer meetings, so we have Wednesday night services. Wise as serpents and harmless as doves! We will continue to fight the good fight!

Joy and I received our Covid-19 vaccine on base about a month ago. However, we are still required to wear a mask everywhere we go. It's a real bad idea to be caught not wearing a mask in Korea. The penalty for not wearing a mask in \$2000.00 and or 1 year in jail. I hate wearing a mask but, I think I wear one anyway!

Both Joy and I are dealing with some rather painful health issues and we covet your prayers. We both have the same mind of just working through the pain; however, the older we get the tougher that becomes.

Please continue to pray for Victory Baptist Church and wisdom for us as we continue the work. God Bless you and thank you so very much for your prayers and faithful support!
