

YOUR MISSION PARTNERS IN THE AUGUST 2021
PHILIPPINES
WINNING AND TRAINING FILIPINOS

Dear Pastor Damron & Fairhaven Baptist Folks:

2 Corinthians 5:8, *We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.*

Our dear brethren in Christ. I write you this letter not as the Pastor of the Shepherd's Baptist Church and Ministries, but as his brother.

I bring you sad news. As our Pastor, Rev. Joey Andrew Guerrero, has passed away and now with the Lord.

It was on the 30th of July 2021, when the Lord took him. Heart Failure was the cause of his death. But it was his kidneys that failed him.

He was already suffering from kidney problem before. Moreover, during his last check up last 2020, we were informed by the Kidney Center here in the Philippines that it was only functioning at 34%. We did what we could to prevent the worst from happening. However, if it is the Lord's will, we just have to submit in his design.

Our family and the church still mourn for his loss.

In fact, he recently got married last June of 2021. He was happy, lively and fulfilled by that wonderful event. Unfortunately, that was the last time we saw him well. A month before his passing.

Please pray for his wife and our family.

He last preached in our Church July 18th 2021. He was already sick at that time. Still, he insisted to preach because he knew what the Lord's will in his life was. No sicknesses can stop him from serving the Lord, and to do his ministry.

He was a great Pastor, Leader, and the best Example to our family and church. He will be missed.

From our dad and to my brother. Thank you, for your never-ending support to the Ministry here in the Philippines. We pray that your support will continue as we ourselves will pursue the ministry the Lord has given to us here.
