JULY – AUGUST 2021 UPDATE

Dear Praying and Supporting Friends,

We have been blessed with a great summer of helping Baby Church Plants. Thank you for praying for us as we have been traveling through many states. The Lord has been good and protecting us for which we are rejoicing! We are seeing many of last years church plants that were affected by Covid spring to life again. Please pray that the Lord will sustain His work.

Recently we helped our new church plant in Desloge, Missouri. This work is south of St. Louis. We were excited to see Pastor Duane Hampton and the people that call Open Door Baptist Church their home church. Cindy and I had the opportunity to spend some time there and encourage them as they press through trial yet blessing. Many of the pastors we are blessed to help with their church planting many times need counsel. And so we are thankful for the decades of church planting experience we can share with them. Below is a list of milestones we are celebrating this year.

60 years of salvation

50 years since I was called to preach as a 15 year old teenager

43 years of marriage to Cindy

35 years that Souls Harbor Baptist Church of Milwaukee has been established.

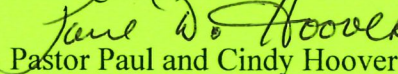

We were blessed to plant and pastor this work for the first 30 years.

So thankful for our son Paul and daughter-in-law Michelle that carry on the work.

We give God the glory for all that He has done in our lives. We are nothing without Him.

Please pray for the new church plant in Three Forks, Montana. Pastor Randy Hayes and the Corcord Baptist Church are doing well. They just moved into a new chapel that they built on their own property. I was recently there to help them and was greatly blessed by the reception of the people in Three Forks to the gospel. This is an exciting new work for which we are thankful.
