

THE DUNBAR FAMILY

Praises & Prayer:

~Please pray for us as we continue to improve in the language. We are learning and understanding more all the time.

~Please pray for Luiz and his family to be saved.

~ Please pray for physical and spiritual health and protection at this time for our family and church members.

-- for Ailton (an his family) our car mechanic to be saved

-- for Flavio (the uncle of Gustavo) who likes to visit church . Most importantly, his soul needs saved. He also needs saved from a drunkard's life.

- Another blessing is that our oldest son, Silas turned 16 . We are thankful for him. Children are a gift!

- Please pray for it to rain. We have been on a water rotation for about a year and it just got stricter. We need rain bad!

Dear Friends,

I hope you are all doing well both physically and spiritually. This has been a good month for us. My pastor, Rick Matthews, and his wife visited us for about a week. It was a big blessing and a wonderful time of good fellowship. When your pastor has been on the mission field for 25 years and started the church that you currently pastor, there is no need to have to translate the messages he preaches. It was a blessing to get preached to!

The church members are continuing to grow spiritually. I asked for a volunteer to update the prayer list and one of the men offered, even though he had never done something like that before. He did a fine job. Some of the other men have offered to fill the pulpit for me while I take a trip to São Paulo. It is a blessing to have them willing to help!

My trip to the big city is to pick up some tracts and Bibles that another church wants to give us, take Silas to a youth rally, and to pick up a couple from the airport that will be staying with us for a month, to help with the ministry. We are excited to see what the Lord is going to do!

I have recently talked to my mechanic about the Bible. I gave him a book on salvation, which he has started to read. He has told me twice that he would like to talk to me more about the Bible. That is a blessing and we look forward to seeing how God will work.

It was a blessing to visit with a Pastor and his family a couple weeks ago. We visited a place where there are two cities separated by a river. There is not one good Baptist church in either one of these cities. There are many places like this here. We are praying for more families to heed the call of God to work for Him in Brazil.
