The following song was inspired by a tract written by Lilius Trotter, a missionary to Algeria. Trotter was writing about the difficulty of maintaining focus while living in a world that provides us with so many choices. She gave this prescription for keeping one's life moving in the right direction:

Turn your soul's vision to Jesus, and look at Him,
and a strange dimness will come over all that is apart from Him.

O soul, are you weary and troubled?
No light in the darkness you see?
There's light for a look at the savior
And life more abundant and free.
Turn your eyes upon Jesus,
Look full in His wonderful face,
And the things of earth will grow strangely dim
In the light of his glory and grace.
